

## OSSE School Garden 101 Training

Are you interested in starting a school garden? If so, this training is for you! The School Garden 101 training will provide:

- An overview of services offered by the OSSE School Garden Program
- Organizations and agencies that can support your garden
- Research that support school gardens
- Steps to a successful school garden
- Funding opportunities
- Inspiration from model gardens
- Opportunity to ask questions from experts
- PLU credit

To register for this free training, please click here (space is limited):

<https://docs.google.com/spreadsheet/embeddedform?formkey=dGV0a25CTm9UUmlmYnlKY1dneGpWVVE6MQ>

We look forward to supporting your efforts to engage youth in school gardens.
